C A E R U L E A

1967

Polytechnic High School

Long Beach, California

Foreword

One of the many outstanding events of this year has been the opening of the Hall of Fame between the 300 and 400 building. This hall, officially named Philips' Hall this year in honor of Poly's principal from 1954 to 1965, Mr. Neil Philips, gives us a chance to look at a few of Poly's accomplishments.

We can trace this historic hall back to 1958 with Dave Philips' suggestion in the fall of that year. Dave, as President of Rota Club; Mr. Robert Tewksbury, as Rota's sponsor; and Mr. Philips began work the following year.

The funds and materials for the project were obtained through various sources. The Long Beach Rotary Club made donations, Rota Club at Poly sponsored a number of fund-raising events, Poly alumni contributed, and the Poly Student Body paid for the finishing touches of the hall.

Walking through the Hall of Fame is an experience of school spirit for the loyal Polyite. As one glances down the hall and at the many trophies, one can truly be aware of why Poly is called "The Home of Scholars and Champions."

Dedication

The 1967 CAERULEA Staff is very honored to be able to dedicate the CAERULEA to a remarkable counselor, Mr. William Miller.

From kindergarten through the university, Mr. Miller has been interested in classroom work not only as required learning, but also as an enjoyable experience. During junior high school, when counselors began to discuss the student's vocational goals, Mr. Miller thought that history and teaching sounded great!

Mr. Miller never lost track of these two goals as he matriculated through the Pasadena schools. A short interruption with the Air Force increased his desire to complete his formal education. In 1950, Mr. Miller received a BA Degree from UCLA, and he has continued his education in post graduate work resulting in various credentials and an MA Degree.

In 1952, Mr. Miller came to Poly, teaching social studies until he became Activities Director in 1957. In this capacity, he did an outstanding job supervising and coordinating the many activities which took place on our campus. In 1962, he began his present job as counselor.

Weekend excursions with his wife, Harriet, and three sons and one daughter in addition to work with the YMCA make up his outside activities.

The CAERULEA Staff wants to take this opportunity to thank Mr. Miller for all he has done for Long Beach Poly — not only his dedication and hard work, but also the friendliness he has shown to each member of the student body.

As Student Body President, I have tried to do my part in maintaining this school's high quality of academic and athletic achievement. I had a tremendous task of trying to please everyone, while at the same time, getting things accomplished. Many new ideas were introduced which benefited Poly in many ways.

This office, the highest position obtainable at Poly, presented some unique and interesting situations, which I will benefit from always. I only wish I had time to give more to this school than I have received.

My semester as Student Body President has been one of memorable associations and challenges. I only hope that the students of Poly continue in the Spirit of Excellence which has made us the Home of Scholars and Champions.

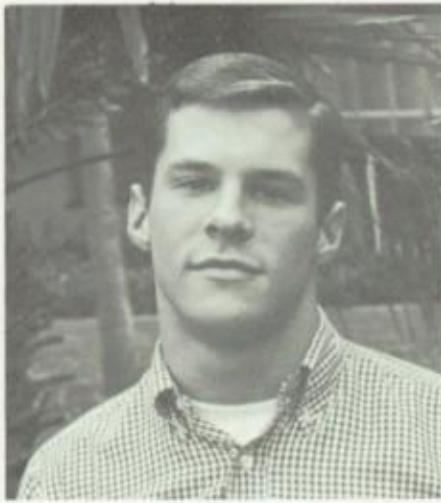

Skip Paul

"Enter to Learn, Go Forth to Serve" are the words which greet every Polyite each morning as he enters Poly High School. Obviously the message intended has had some constructive effect on those passing beneath it. I think that the attitude of Poly is reflected in this motto: That each student is here to learn but must not only take from the school and bury himself in books, but must serve and so give of himself in return.

The main ingredient which has made Poly so continually superior and so often imitated is the ever present enthusiasm that sparks our teams and scholars to accomplish the unbelievable.

As Spring Student Body President I was extremely proud of the accomplishments of the student government class. The semester was unquestionably a success and I am grateful for having had the chance to be a part of it. I feel now, as everyone does who is associated with "The Home of Scholars and Champions," that I gained more from Poly than I ever expected, and thus I will graduate grateful for having had the opportunity to represent a school that I respect and admire.

The fall semester offered the Commission and the Student Government class numerous challenges. Having been carried over from past semesters without much progress, the Hall of Fame, changed to Philips' Hall in honor of Neil Philips, became a functional aspect of our school. For the first time, we allowed students to use it as a passageway instead of keeping it secluded. Efforts were made to locate awards and trophies Poly had won and never received. Beautification was another major project undertaken by the Student Government Class. The entire city of Long Beach strived for city-wide beauty, with Poly leading all other schools. Milk Bowl Sales, canned food drives, and other charity events were equally successful. A successful effort was made to investigate and compose for the student handbook a history of Poly from 1895 to 1966. All possible efforts were made to make Poly the friendly, number one campus it has always been. With these foundations laid, the Spring Commissioners and Student Government Class were ready to finish the tasks.

Because of the numerous contributions made during the semester, the spring Student Government class was rewarding.

The Beautification Campaign became important not only to Poly, but to the city. Campus Beautification resulted in planting more trees; painting the buildings, benches, and trash cans; as well as a "Keep our Campus Clean" campaign.

Beginning this year, Philips' Hall, or The Hall of Fame, was opened permanently. Among the numerous additions made were pictures of alumni who have made outstanding contributions to our society.

The enthusiasm which has always been a vital part of Poly continued to grow during the Spring Semester. Again it brought us many victories in basketball, track and other spring sports.

The frenzy and fun of the graduation activities were made possible through many hours of work by the Senior Representatives, under the guidance of Student Government. This year's graduates will always remember the excitement of Senior Day, the Prom, and the All Night Dance.

Through the combined efforts of the students and their elected representatives, the Spring Semester Student Government succeeded in creating another successful semester at Poly.

Enthusiasm and spirit have always been Poly's greatest assets. Carrying on this tradition were the Song and Flag girls of 1966-67. Participating in school assemblies and games, they helped to foster these qualities after a summer of hard work and after-school practices. Each girl put forth her efforts and talents creating the routines which truly promoted enthusiasm and spirit.

Cheerleaders

Enthusiasm, soul, and inspiration were aroused by the '66-'67 yell leaders. Their main objective was creating "enthusiasm" at games and assemblies. They burnt the midnight oil thinking of original skits which upheld the spirit of the students.

Yes, without their intelligence and their cool inspiration, Polyites could no longer say, "We've got soul!"

It was Homecoming Day and as early as 6:00 in the morning, Polyites began invading our campus. The green and gold decorations began to materialize, adorning the trees and bushes in the traditional Poly spirit. It was better than ever, thanks to the excellent planning and organization of the Chamber of Commerce.

The Girls' League was efficient and helpful, as usual, up and ready at 7:00, selling doughnuts and hot chocolate. The Pep Assembly in Hare Square at 8:00 helped raise all of the Poly spirit, and started the day off with excitement and expectation.

The Homecoming Assembly brought added excitement. Hundreds of alumni greeted the beautiful Queen, Valorie Paschall, and her court.

The spirit was tremendous, and the stands were packed at the game against Lakewood that night. After the game, spirits and excitement remained high at the annual Homecoming Dance held at the Hutch. At 12:00, an end came to another magic story. It marked the end of another fantastic Homecoming Day for Poly High School.

The Long Beach Polytechnic Band is made up of the more musically oriented students at Poly. It contributes greatly to Poly's spirit by participation in all pep assemblies and football games. It also enhances the cultural life at Poly with its annual Spring Concert.

The Band is one of the stepping stones for many future musicians. Through participation, members learn responsibility and music appreciation, and they have a sense of belonging that comes only to a busy group. The Band members have fun while improving their musical experience.

Dance Band

Again this year Poly's outstanding instrumental groups have brought us many excellent performances. The Fall presentation of "Rhapsody in Blue" was one of the high points of this year's musical events. The Christmas Concert was enjoyed by the whole Student Body at an evening performance as well as at two assemblies. Concluding the year with the annual Spring Concert, the musicians truly displayed outstanding skill.

Girls'

Students enjoyed browsing through the books at the first annual Book Fair.

The fall semester began with the annual New Girls' Picnic at which juniors and seniors welcomed in-coming sophomores. A breakfast of donuts and milk was served while President June Gordon told about Girls' League at Poly. The next major activity was selling hot chocolate and donuts on Homecoming Day. A representative from Yardley of London came to Poly and in an all girls' assembly displayed different types of make-up and how to apply it. Girls' League and Boys' League jointly sponsored the first annual Book Fair. Paperback books were put on display and sale for one week. Children in ten Head Start classes welcomed animal bean bags that were made by members of the group. Also the fall semester produced the Prettiest Baby Contest which was a competition among the faculty members' baby pictures. Girls' League strives to make every girl feel a part of the Poly student body through participation in school activities and the promotion of school spirit.

The past Spring Semester, Girls' League was busily engaged in many activities. The successes began with the results of the Prettiest Baby Contest. Voted by the entire Student Body as the: Prettiest—Mr. Colburn; Personality Kid—Mrs. Shaw; Most Glamorous—Miss Vieth; Most Likely to Succeed—Mr. Jensen; Most Popular—Mr. Hopkins.

An all-girls assembly with a fashion show was sponsored by a local department store during the second semester. Entertainment was provided by the Modern Dance class and the jazz band. February brought the Annual Porter Hi Day when all the girls voted for Mr. Irresistible. The next day, February 25, was the annual Backwards Dance, this year themed "The Back Alley Bash." As a climax to the months of preparations for the eventful two days, Mr. Irresistible was announced.

Much improvement was made in the Girls' League meetings with varied programs for every meeting. We were fortunate in having a representative from the Julia Gibson Charm School, a fashion show from the homemaking classes, singers, and similar forms of entertainment.

In closing out the school year, Girls' League awarded more scholarships than ever to deserving girls. Truly, we can say that Girls' League fulfilled its purpose this year, in contributing success to the entire student body, as well as to each individual girl.

The Boys' League is one of the oldest and most active service clubs on campus. Caerulea Staff

Many decisions and much work go into the making of your CAERULEA. The cover and division pages, in coordination with each other, have to be worked out by the art department; end sheets and color pictures have to be chosen; and each section editor must think of modern layouts and interesting copy. The staff members must work on their sections not only during class, but at home and during Saturday workshops.

We all hope you will enjoy this CAERULEA and in years to come it will bring back many pleasant memories.

Masque and Sandal

Because all the members of Masque and Sandal are taken from advanced drama classes according to the accumulation of points, each person has earned his membership through hard work and drama participation.

Every year the members contribute many hours of their time in order to bring Poly several outstanding productions. Besides taking part in the Spring Sing and the Christmas Concert, Masque and Sandal presented the Children's Play in the Fall, the Senior Play in the Spring, and the Masque and Sandal Drama Festival.

Stage Crew

Stage Design

In the past years, the Stage and Sound Crews, as well as Stage Design, have proved extremely beneficial to our campus life. The Sound Crew is responsible for all P.A. systems used throughout the school as well as for athletic events and assemblies. The Stage Design works with Mr. Swintek to design the stage sets for all school productions, including the annual Spring Sing. Stage Crew works in conjunction with Stage Design using the plans and ideas of the Design Crew. The outstanding job done by these three groups has been greatly appreciated by the Poly Student Body.

Every year the Art Gallery Club works hard to prepare at least three outstanding art shows for the students at Poly. A great deal of time and effort is put into these shows by the members.

Selecting artwork and color schemes, deciding upon themes, assembling displays, and painting backgrounds are only a few of the duties met by this industrious group.

"For the whole earth is the sepulchre of famous men and their story is not graven only in stone over their native earth but lives on far away without visible symbol woven into the stuff of other men's lives."

—Oration of Pericles, 430 B.C.

The completion of the Hall of Fame facility culminates the efforts of the Classes of the Sixties to enshrine forever in the hearts of Poly students the rich heritage of group and individual excellence in student activity that over the past decades has earned for Long Beach Polytechnic the accolade, "Home of Scholars and Champions." Philips Hall shall provide permanent recognition for those who bring honor to themselves and to this student body by distinguished achievement in the broad range of student activity and in their adult life.

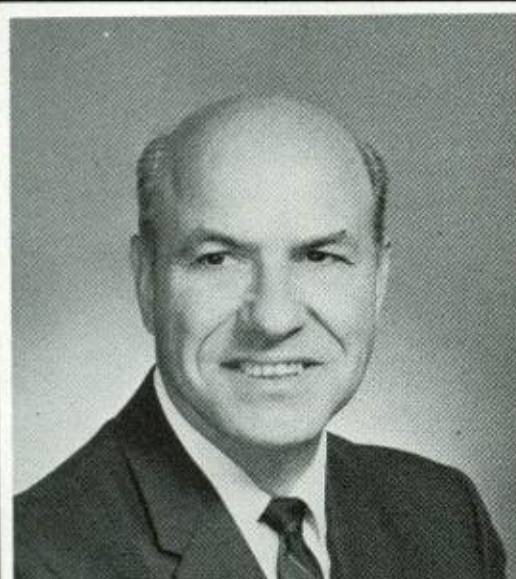

"Where reward for merit is greatest—there you will find the best citizens."

Ione Manning
Head Counselor

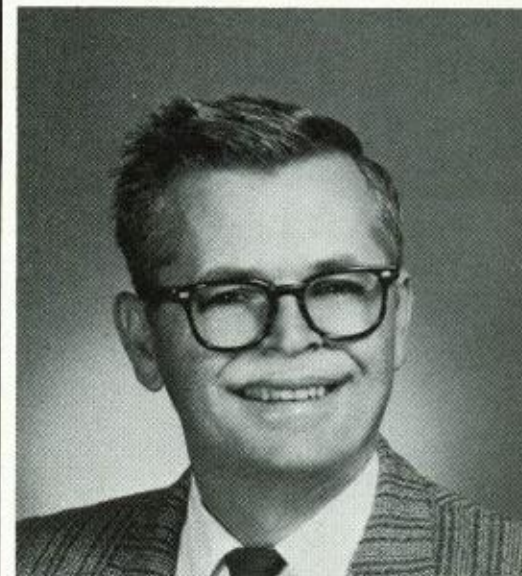

Miss Manning has the responsibility for the general direction and coordination of the counselors and the guidance program at Poly. This involves the supervision of the educational, personal, group, and vocational counseling for all students. It is her responsibility to interpret the guidance program to the faculty and to the public.

Some of Miss Manning's specific duties are: the planning and supervision of registration; the supervision and control of student personnel records; supervision of the testing program; orientation for new students; providing for liaison services with junior high schools, Long Beach City College, and other colleges; and the arrangement of programs for the gifted, specially trained, and less advantaged students.

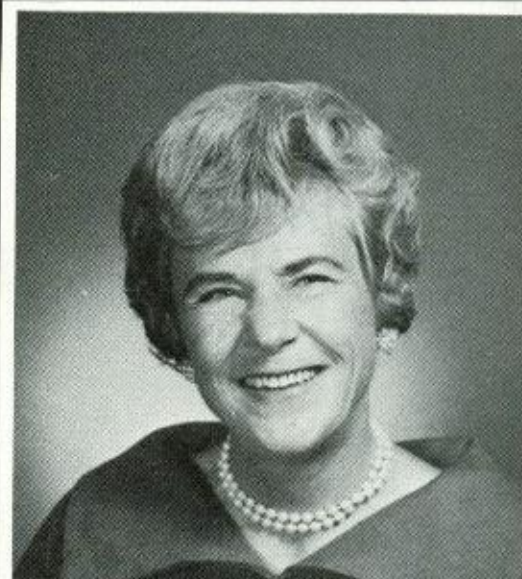

In addition to the above duties, the head counselor is responsible for the direction of the secretarial and clerical work of the counseling office.

This year Poly welcomed Mr. John S. Knapp to its Counseling Department. Following his tour of duty during World War II, he received his B.S. degree in Industrial Arts Education at Eastern Michigan University. In 1955 Mr. Knapp received his M.A. from the University of Michigan. Before coming to California in 1958, he taught Industrial Arts and Social Studies in his home state for nine years.

Since his arrival in California, Mr. Knapp has taught junior high while attending classes at Cal State Long Beach, UCLA, and Whittier College.

Besides his devotion to the Poly Student Body, he also contributes his time doing youth work at his church and the Boy Scouts. His hobbies include sailing, camping, golfing, and carpentry. Mr. Knapp became a counselor three years ago, and Poly students are grateful for his guidance in keeping Poly the "Home of Scholars and Champions."

Organizations

Senior Men's Council

Each year thirty young men of athletic and academic superiority are selected as members of Senior Men's Council. The club meets every Friday morning to plan and promote such projects as the painting of our trash cans and lunch benches in Poly's green. Senior Men's Council is instrumental in the planning of our traditional white shirt cheering section. The members also sell football and basketball programs and support the annual Trike Race. Through its work in promoting school spirit, this organization has become one of the most active and respected groups on campus.

Lettermen's Council

Any boy who is interested in and has lettered in a sport at Poly is eligible for Lettermen's Council. The boys are organized into one common unit to perform various activities for the school and the community. At each meeting there is a guest speaker informing the boys on some phase of the sporting world. The Council members wear their Lettermen's jackets to games to form an "L"; they also sell programs at these functions. Since Mr. Delacy is a top-notch coach, he is a well-qualified advisor for this fine organization.

Portia

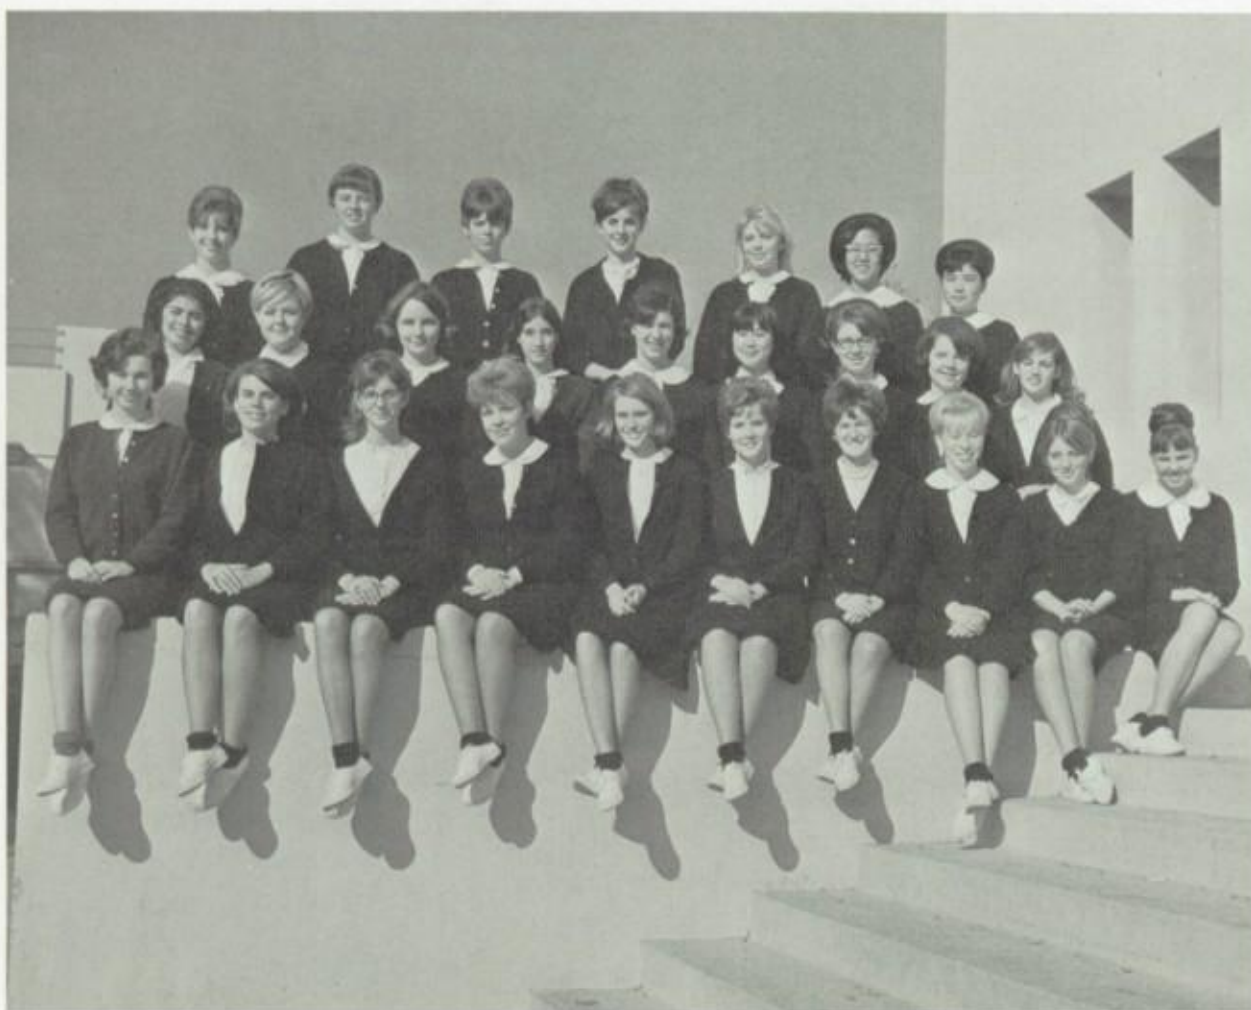

Membership in Portia, a girls' welfare club which is sponsored by Miss Healy and Miss Colombo, tends to be very selective, with a minimum of a 3.0 grade point average with service and leadership points. Portia participates in numerous activities which are not only fun but an aid to our community. One of the more helpful aspects is the supporting of an orphan from Viet Nam. Enthusiasm and closeness within the club is created and maintained by the participation of each member in activities such as the Alumnae Tea, the annual CAERULEA Trike Race, the Intra-Girls Swim Meet in which Portia has placed first two years in a row, fund raising events, slumber parties, joints with other clubs, and the Spring Sing.

Key Club

Key Club, which is sponsored by Kiwanis International, is a service club for boys at Poly. To become a member, one must be outstanding in scholarship and leadership. Key members aid the community by helping crippled children and by selling candy at Christmas to support needy families. The club also participates in the CAERULEA Trike Race and the annual Spring Sing.

Officers, Left to Right: S. Paul, Pres.; R. Patterson, Vice-Pres.; G. Hedley, Sec.; R. Bjorkman, Treas. Row 1: J. Cope, R. Grabyan, D. Krause, J. Lees, T. Easter, N. Palsgrove, N. Matsui, D. Caprice

"Caprice Forever" is a familiar term among these girls. Capricers realize what an honor it is to be in this outstanding welfare club because to qualify a girl must have above a 3.0 grade point average and be an active Polyite and student leader. Under the sponsorship of Miss Linda Vieth, these "sisters" have participated in the Caerulea Trike Race, the decorating for Homecoming, and the annual Spring Sing.

The spirit and enthusiasm generated by these girls is a sure sign of Poly "soul."

Junior Exchange

Junior Exchange, sponsored by the Downtown Exchange Club, is one of the highest esteemed clubs on campus. Traditionally, "JX" members are recognized as school leaders, both scholastically and athletically. Activities this year included a Christmas "Toys for Tots" campaign and a "Paperback Book Drive" for our troops in Vietnam.

Tabek

Tabek is a welfare club open to girls with high scholastic records, leadership, citizenship qualities, and a real interest in giving service to Poly and the community. Some of their important activities have been adopting a child, helping with the Salvation Army during the Christmas holidays, donating small articles to the annual Red Cross Drive, and participating in the annual trike race, homecoming decorating, and Spring Sing. Highlighting the year's activities is the annual luau for the members.

Rota

Following a complete reorganization, Rota Service Club achieved a successful year of events. Membership being open to boys meeting rigid standards, Rota's season of activities included many a beneficial event such as a club-sponsored basketball league for boys.

Chamber of Commerce

Throughout the year, Chamber of Commerce played an important part in promoting school spirit and enthusiasm. Their most outstanding activity of the year was the supervision of all Homecoming activities and decorations. They have also promoted athletic events and assisted in elections.

Besides participating so actively in campus activities, Chamber of Commerce has tried to associate Poly with community problems and has done its share in helping to solve them.

Forum Club

The members of Forum Club had the opportunity of hearing many interesting guest speakers this past year. These orators presented thought-provoking talks which introduced varying points of view. This unique club has played an important role in broadening the students' interests in many different subjects.

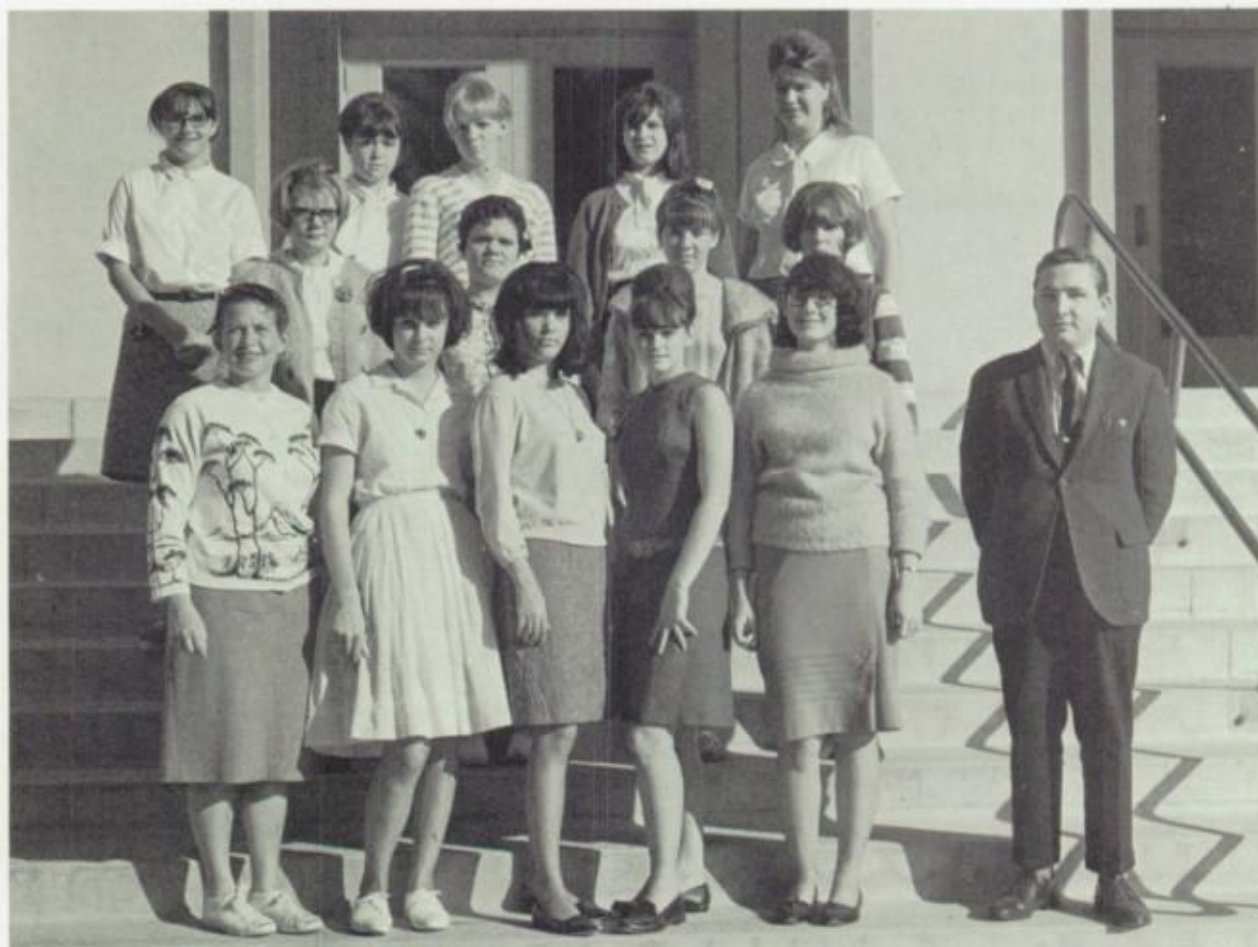

Ushers' Club

The Ushers' Club of Poly High School has always been one of the largest and most active organizations on campus. Its members usher at such presentations as the Civic Light Opera, school functions, and film forums. Ushers' Club has an annual Christmas Party in December and a Senior Banquet in June.

Officers, Left to Right: D. Sawtelle, Recording Secretary; R. Bennett, Historian; L. Dodge, President; L. Temple, Corresponding Secretary; S. Fox, Treasurer; P. Seguire, Vice President.

French Club

Any student on campus may participate in the great activities of French Club. This year the members were honored with guest speakers, went on a tour of C.B.S. studios and Farmers Market, and also participated in a welfare project and money-raising activities.

Left to Right, officers kneeling: S. Smiley, Treasurer; F. Hogan, President; M. Lingle, Secretary; C. Campbell, Vice President.

German Club

Our German Club at Poly is a closely-knit group of students who did many things together this year. The year's activities included a car wash, a beach party, and a Christmas party. The students also visited the Hofbrau in Los Angeles, corresponded with German pen-pals, and held a joint on Halloween with Lakewood High School's German Club. The organization is open to any German speaking student who is interested in furthering his knowledge of German culture outside the classroom.

Spanish Club

"Hablamos espanol," say Spanish Club members. But not only do the members speak Spanish, for the real purpose of this club is to bring about a better understanding and appreciation of the Spanish culture while having fun.

Highlighting this year's activities were a dinner in a Spanish restaurant and a trip to Padua Hills where members were able to see Spanish plays.

Fun-loving Señor Alvarado is the sponsor for this great club.

Officers, Left to Right: D. Hubbard, D. Messer, L. Otsuki, S. Snodgrass.

Latin Club

One of the oldest and most interesting clubs on campus is the Latin Club. Their gala event of the year is the fantastic and exciting Roman Banquet. All the frills and thrills of ancient times come to life during the evening. This is only one of the activities of the club. They also study customs of ancient times, have fund-raising drives, and actively participate in all of the school's activities.

American Field Service

"Walk together, talk together, oh ye
peoples of the earth; for then
and only then shall ye find peace."

Officers, sitting, Left to Right: K. Rescorla, President; S. Robinson, Corresponding Secretary.

Bringing students to Poly from other countries each year is the most important aspect of the American Field Service. Our exchange students help us to see the world in a different light. We are able to meet the young people on a personal basis, thus learning many different aspects of their ways of life, their countries, and their people. It opens the doors to international friendship and helps to make our seemingly different worlds closer. We, the adults of tomorrow, are learning today how much we share in common with the peoples of other countries.

As I compare my school in Sweden to Poly High School, it strikes me as to how different the two schools' social lives are. In Sweden, the schools have almost no social life, but here you have dozens of clubs and other activities connected with school which all can participate in.

I had been told beforehand how important sports were at an American high school, and there was nothing at Poly that made me think this was not true. I was really impressed by the lively, colorful football games and the spirited pep-assemblies that accompanied them. The Polyettes, the Song and Flag girls, the Cheerleaders, the yells and the enormous school spirit are an inseparable part of "The American Way of Life" which I have learned to love and respect.

Mats Olsson

To enter in and adapt myself to the world of Polytechnic High School has been quite an experience for me. I came from an all-girl high school in Argentina which is no larger than six hundred people, but Poly is a friendly school and soon I was another loyal Polyite.

I learned to like the football games, the pep assemblies, and the school activities. I also made warm friendships among the students.

To have been part of Poly made my year in the United States a complete success. I have achieved a great deal of wonderful experiences, and whatever my future will be I can only say one thing: I'm very proud to belong to Poly.

Rita Baunaly

Poly Picture Loan

One of the oldest service clubs on our campus is Poly Picture Loan. By displaying drawings and paintings in the library and administrative offices, the members exhibit students' work which would not usually be shown. This gives the chance for even a beginning painter to have his work displayed.

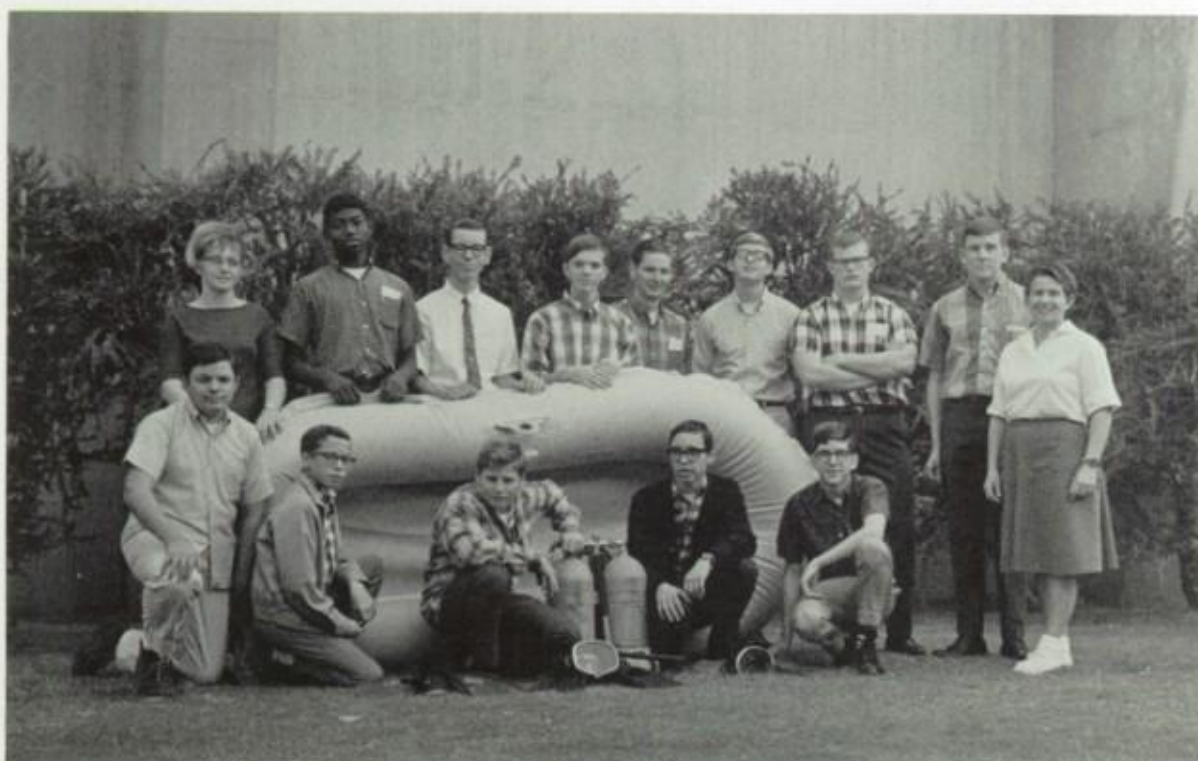

Left to Right, Row 1: K. Nishino, B. Yamada, M. Kane, Mr. Schoonover, S. Killingsworth. Row 2: C. Iwasaki, P. Wong.

Chess Club

Some Poly clubs are strictly for fun. Others are educational. However, the Chess Club is a unique combination of both.

Here is an opportunity to learn the game of chess, create new friendships, and promote a better understanding of the game.

Divers Club

Music Arts Society

Left to Right, Row 1: N. Myers, L. Otsuki, M. Divine, S. Fox. Row 2: S. Snodgrass, J. Peterson, K. Saxlund, C. Gilmore, D. Messer, K. Kimes.

A solo or a five-minute talk given by one of the members begins the meeting of the Music Arts Society—one of the more cultural clubs on campus. Open to students who have a music class, the group attends concerts, including one at the Los Angeles Music Center, to become more aware of music and art. The Music Arts Society is an organization which enriches the students' musical horizons beyond those which can be learned in the classroom.

Electronics Service Team

Electronics Service Team is a club designed for students interested in the practical servicing of electronic equipment.

The club's main activities include repairing electronic equipment, using test equipment, and learning the fundamentals of electronics.

Flower Club

A club bringing attractiveness to the classrooms and offices at Poly is the Flower Club. Every Monday morning the members use their creative and artistic ability to make interesting floral arrangements. They distribute these to the administrators and teachers to liven up their rooms and offices.

Math Club

Providing students with a mathematics workshop is the main objective of the Math Club. At these workshops the members may get help from their sponsor and compare notes with classmates for working problems. In this way, members are prepared for the National Math Contest. The people who do outstandingly well in this competition may qualify for the Spring Math Contest in San Luis Obispo.

High School Red Cross

Being one of Poly's most active service clubs, High School Red Cross plays an important part in school and community activities. Every year they are in charge of collecting money and food for needy families in the area.

Another drive which started last year was the collection of paperback books for soldiers fighting in Viet Nam.

The terrific success of these drives reflects the support of the student body and their willingness to help others.

Officers, Left to Right: P. French, Treas.; L. Thomas, Vice Pres.; J. Stone, Rec. Sec.; G. Trull, Pres.

DECA

Open to all Poly students interested in a business career is DECA. The Distributive Education Clubs of America are designed to develop future leaders for marketing and distribution. It is the only national youth organization operating through the public schools to attract young people to careers in this field.

The Poly DECA Chapter was the first chapter in the Long Beach Unified School District. Under the sponsorship of Mr. Cal Farmer, DECA's potential is unlimited.

Officers, Left to Right: J. Murphy, M. Hall, L. Price, N. Ness, J. Collins, I. Palacios, G. Womac.

Future Teachers of America

Promoting the teaching profession to students interested in the career is the purpose of Poly's David Burcham Chapter of the Future Teachers of America. Annually this club sponsors visitations to universities and colleges which help to clarify the educational requirements for teaching. In order to observe teaching in action, trips are taken to elementary and junior high schools. There are joint workshops with other F.T.A. chapters where discussions and speakers help the members to become more knowledgeable in various areas of teaching. Each year Poly's F.T.A. chapter serves as host to the other Long Beach groups at one of these workshops.

Hutch Officers

Project Tutor

Project Tutor began at Poly this year to help elementary school children from this area. "Tutees" are chosen on the basis of their need for individual scholastic help, and Poly students spend from 2-8 hours per week with each child. Besides receiving academic assistance, "tutees" are taken on field trips to State College, Marineland and other cultural spots.

Any Poly student who likes children and is willing to spend a few hours a week with them can become a tutor.

Color Guard

Left to Right: R. Peacock, J. Wilson, J. Salveggio, M. Ranney, R. Hall, D. Montgomery.

Cadet Officers

R O T C

The Reserve Officers Training Corps is an important step in the future of these young men. Through the R.O.T.C. agenda, the cadets develop a sense of responsibility, leadership, and self discipline, which are all vital to their future success.

During the three-year program, the cadets are instructed in drill, marksmanship, military organization, map-reading, leadership training, and the use of weapons. The Corps participates in many extra-curricular activities including parades, drill team exhibitions, rifle team competition, color guard presentations, security guard details, an annual military ball, an awards ceremony, and field trips to local military installations.

Adult Staff

Left to Right: Harvey L. Stockwell, Lt. Col.; Elmer W. Stringfellow, S.F.C.; Andrew L. Holloway, S.F.C.

The background of the page is a light gray color, overlaid with a complex, symmetrical pattern of dark gray lines. The pattern consists of multiple concentric, flowing shapes that resemble stylized waves or organic forms, creating a sense of movement and depth. The lines are of varying thickness, and the overall effect is reminiscent of a modern, minimalist design.

The 1966 football season opened with Poly splitting its P.T.A. Milk Bowl encounters against Jordan and Lakewood, defeating the Panthers 14-0 before bowing by an identical margin to the Lancers.

With an attack manned primarily by juniors due to the loss of numerous past-season stalwarts, the squad entered the first practice games as a question mark. Poly emerged from its demanding pre-league slate with a record of 2-2, consisting of victories over Hawthorne, 45-7, and Westminster, 27-26, and defeats at the hands of Santa Ana, 20-13 and Santa Ana Valley, 20-6.

Opening the Moore League season against Jordan, the Jackrabbits rolled to an impressive 39-0 victory. Two heartbreaking losses followed as Poly fell to CIF contenders Lakewood and Wilson by deficits of fourteen and seven points, respectively. In both games the Rabbits showed great scoring potential but were hampered by many unsuccessful touchdown drives.

The season concluded on a victorious note as the offense clicked once again to score wins over Downey, 34-13, and Millikan, 14-7.

An exceptionally strong running game highlighted the Poly offensive squad this year. The team's fine passing strength could not be fully utilized, however, due to an injury to senior quarterback Bob Buskirk during the Santa Ana contest.

Led by Ed Giles, Thurman Anderson, Gerald Johnson, and Buster La Coste, the ground attack proved itself a potent weapon in season action. Junior fullback Giles was the unit's workhorse, averaging more than 20 carries per game. His performance against the Downey Vikings was the year's outstanding single exhibition. Giles broke CIF and Moore League records as he rushed for 342 yards while scoring five touchdowns and four extra points. As a result of his fine play, Giles was honored by the L.A. Times as their player of the week selection. He concluded a great season by leading all Moore League scorers with over 100 total points.

Despite Buskirk's injury and subsequent loss for the balance of the schedule, Poly's aerial attack also made a creditable showing on the field. Reserve quarterbacks Bill Brown and Elmore Stewart proved to be able signal callers while ends Freddie Long and Ray Sammons matched their fine pass catching efforts of the 1965 season.

The Poly defensive unit performed a creditable job throughout the season as they limited nine tough opponents to an average of only fifteen points a game. The opportunistic Jackrabbits set up numerable touchdowns with their many interceptions and fumble recoveries.

The rugged defensive line, averaging over 200 pounds per man, held our opponents to a meager average of 90 yards per game on the ground. The veteran unit created many fumbles with their jarring tackles and applied constant pressure on the quarterback. The mainstays in the line included mammoth Preston Saddler, Frank Peck, Ron Alee, Steve Anderson, and Rick Smith.

Backing up the line were hard hitting linebackers Bill Murrell, John Hillbrand, and Buster La Coste.

The young defensive secondary did a phenomenal job in limiting pass completions to a minimum. Led by juniors Jerry Jaso, Wendell Brooks, Elmore Stewart, and Thurman Anderson, the Jackrabbit backfield intercepted 13 passes and made many key tackles.

The Poly Junior Varsity football team achieved one of its most successful seasons in recent years compiling a 7-2 record during the 1966 season.

The non-league schedule was highlighted by wins over Westminster (12-6), Hawthorne (27-0), Santa Ana (14-0), and Santa Ana Valley (33-7). Entering the Moore League undefeated, Poly breezed past Jordan before sustaining back to back losses to Wilson and Lakewood. Determined to capture third place and finish the Moore League on a winning note, the Junior Varsity eleven trounced Downey (38-14) and Millikan (38-13).

Leading the offensive charge of the 1966 Junior Varsity were Jim Lemon (co-captain and quarterback), 135 pound Howard Fluker, fullback Greg Price, and split end Larry Ginn. The hard hitting defensive squad was spearheaded by co-captain Heber Whitley and linebacker Kevin Nichols.

Basketball

19

At the end of last year's season, most followers of Long Beach basketball felt the outlook for Poly's hoopsters had to be bleak. The entire Varsity squad had graduated leaving Coach Will Foerster without any experienced players.

In this light, the accomplishments of the 1966-67 basketball team must be considered remarkable. The Hares completed their difficult season with a commendable 18-11 record, finished second in the tough Moore League, and advanced into the second round of the C.I.F. play-offs.

Captained by Sammy Washington and Frank Winger, Poly used pride and desire to off-set their perpetual lack of height. Each game saw a different individual star as Don Carson, Paul Tillman, S. L. Neal, and Larry Carter all contributing heavily to the Rabbit's winning record. Neal was named to the all-tournament teams at both Dominguez and Compton while leading the Hare's effective fast break. Tillman and Washington were selected to the San Bernardino all-tourney team while Carson, Winger, and Carter were extremely effective in Moore League play.

In their surprising season, the Jackrabbits again demonstrated why Poly is the "Home of Scholars and Champions."

Accentuating youth, this year's junior varsity basketball team took second place in the Moore League relying on a competitive spirit and an aggressive defense. Scoring leaders were Willie Moore, Bond Nichols, and Bud Stoll. Leading rebounders were John Watkins and Bond Nichols.

The team used a pattern offense and a man-to-man pressure defense. The fast break was also employed to take advantage of the team's quickness. Although some of the boys will form the nucleus for next year's varsity, many of the 1966-1967 squad will be returning to the junior varsity which should make for an excellent squad next year.

Varsity Water Polo

The 1966 Varsity Water Polo squad compiled an impressive record of 15 victories and 5 defeats; five of these games resulted in 4 wins and 1 loss in the Moore League. The team consisted mainly of seniors, but a few strong and upcoming juniors also made up the squad. The coach, Jim Steveson, felt proud of the second place victory in the League and first in the City. Coach Steveson felt this was one of the finest teams in the last five years, and possibly one of Poly's best ever. In the Inglewood Tournament, the team won the Consolation Trophy, and in the Moore League Tournament placed second to Downey.

The 1966 Water Polo team was bound together by devoted players, under the guidance of Coach Steveson.

The purpose of the Bee and Cee teams is to let the less experienced boys gain experience in playing so that when their time comes, they will be able to lead the Varsity team on to victory.

This year, while winning only a minimum of their games, the Bee and Cee teams gained a terrific amount of experience. Because water polo is a game of both brains and brawn, the experience of playing under pressure cannot be taken lightly.

Next year, the now experienced Cee team will move up to Bee and the vastly improved Bee team will join the fine juniors on the Varsity.

With as large a group of sophomores as we had on both the Bee and Cee teams, Poly can look forward to quite a record in water polo in the years to come.

Larry Peete, this year's outstanding decathlon winner, was the strong man of the varsity and led the sprinters with a 10.0 clocking. Cornell Pinkney was this year's speedy quarter miler with a hare-raising time of 50.6. Melvin Johnson, again this year did an outstanding job in the long jump. These three men were the inspiration for the team and were responsible for the unity that is not usually found in this "Individual's" sport.

Shelton Wilson, who almost single-handedly won the "C" CIF championship in 1966, did an excellent job in the hurdles and sprints as well as the long jump. Robert Stockton and Howard Fluker are examples of the terrific sophomores on this year's team who helped their class win the inter-class meet. Robert proved to be a hurdler that competition worried about. He was also a fine 220 yd. man. Howard was not only a blistering sprinter but an excellent long jumper.

Leading the distance events this year were senior Ramon Strickle and junior Greg Jones. Ramon consistently bettered his already fine time in the 2 mile. Greg ran an outstanding 1:58 half mile.

An event getting a lot of attention in the track and field world this year was the high jump. Junior Jay Jones consistently cleared 6'7" and just missed 6'11".

The efforts of this excellent group of athletes almost assured a return of the Moore League Track and Field Championship to Poly High School!

Decathlon Winners—1967

Early season wins over Compton and Santa Ana inspired the Poly "leather lungers" to work hard this year. Junior co-captain, Greg Jones, showed promising form as he finished high in Moore League competition. Seniors Ramon Strickle, George Anderson, and Don Walker furnished depth as the season progressed. Sophomores Jim Arquilla, Martin Manchini, Fred Parker, and Ben Montoya exhibited a dedication that will "win out" before they leave Poly.

Poly's 1967 gymnastics team was comprised mostly of sophomore and junior performers. The team enjoyed a better than average practice season winning all of its practice meets but one.

In the always tough Moore League competition, Poly's gymnasts were fairly successful on a team basis. This, however, was overshadowed by outstanding performances by the four senior members of the squad and other talented underclassmen.

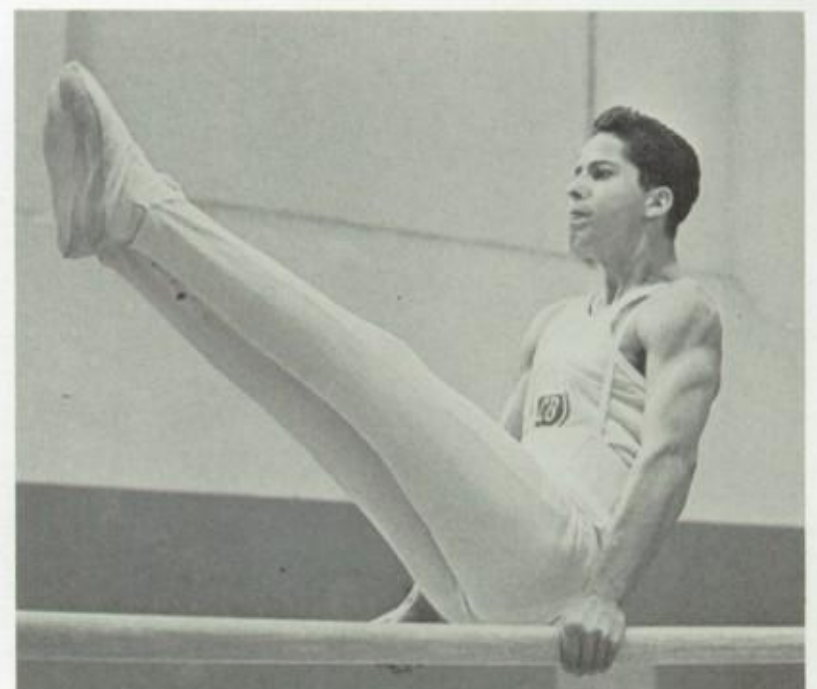

The team's potential for next year is excellent since the majority of the 1967 team was made up of returning sophomores and juniors. In '68 Poly can look forward to having an excellent gymnastics team.

With an experienced squad led by the return of four varsity lettermen and the entire junior varsity team, the 1967 Poly Golf Team breezed through the Moore League season and into the CIF Championships.

Paced by letterman Skip Paul, the winner of this year's team tournament, in addition to Frank Newell, Bill Workman, and Morse Travers and newcomers Jim Cleveland, Bob Yunker, and Gary Sandwick, the Poly linksmen trounced three pre-season opponents by wide margins.

The Rabbits opened up the Moore League season by defeating highly favored Millikan 22-14. The impetus of this startling win carried the Hares through a successful season.

Poly's 1967 Swim Team was led to a fine season and good standing in Moore League competition by Coach Jim Steveson. Sophomore Bill Penn and senior George Hedley sparked the team on with their great individual performances.

The team's great strength in the underclassmen were freestylers Kerry Atkinson, Pat Hausmann and breaststroke swimmer Bruce Roessler. Because of the underclassmen there seems to be a promising season ahead for next year's competitors.

Junior Varsity

Just about everyone in the Long Beach baseball world had ruled out the 1967 Poly varsity nine as having any chance of being contenders in the Moore League race. After all, hadn't they lost 16 seniors from last year's championship team. What did they have left? Sure, a couple of lettermen, a junior varsity player or two, maybe a promising sophomore, but who really thought that out of such chaos could be molded another powerful Poly nine? The players themselves did, that's who! They set out to make believers out of the other teams, and like the '66 champs, this year's team was again dominated by outstanding seniors—catcher Terry Brady handling the slants of twin brother Tim or pitchers Ray Brown and Bob Gooch; St. Anthony transfer Pat Iantorno and his golden glove taking throws from sure-handed Jim Stanford, Poly's slickest infielder in years; then there was flashy Freddie Long in center, ably assisted by Andre Ellis in left field and Gordy "Skinner" Allen in right. Bob Buskirk supplied the hitting power, and utilityman Ron Guss was everywhere, filling in where needed. The Moore League should have known better than to count Poly out, but they found it necessary to learn the hard way. They forgot that the Poly team has the motto: "We came to PLAY, and we EXPECT to WIN!" Win they did. It seems some people just have to be shown—so we showed 'em!

Henson, T. Hamasaki, B. Bowers, D. Walker, A. Wallace.

Interscholastic wrestling was reintroduced to the Poly campus in 1966 after a thirty-five year lay off. The sophomore laden matmen fought to a 4-4 Moore League record and a fourth place finish.

Outstanding performances were turned in by Captain Tracy Fukuhara, undefeated in dual meet competition; Ben Montoya, Moore League champion in the 98 lb. class; Tom Robinson, 141 lb. Moore League Champion; Pete Mungo, undefeated in dual meets; and Ed McIntyre, runner-up in the Moore League at 123 lbs.

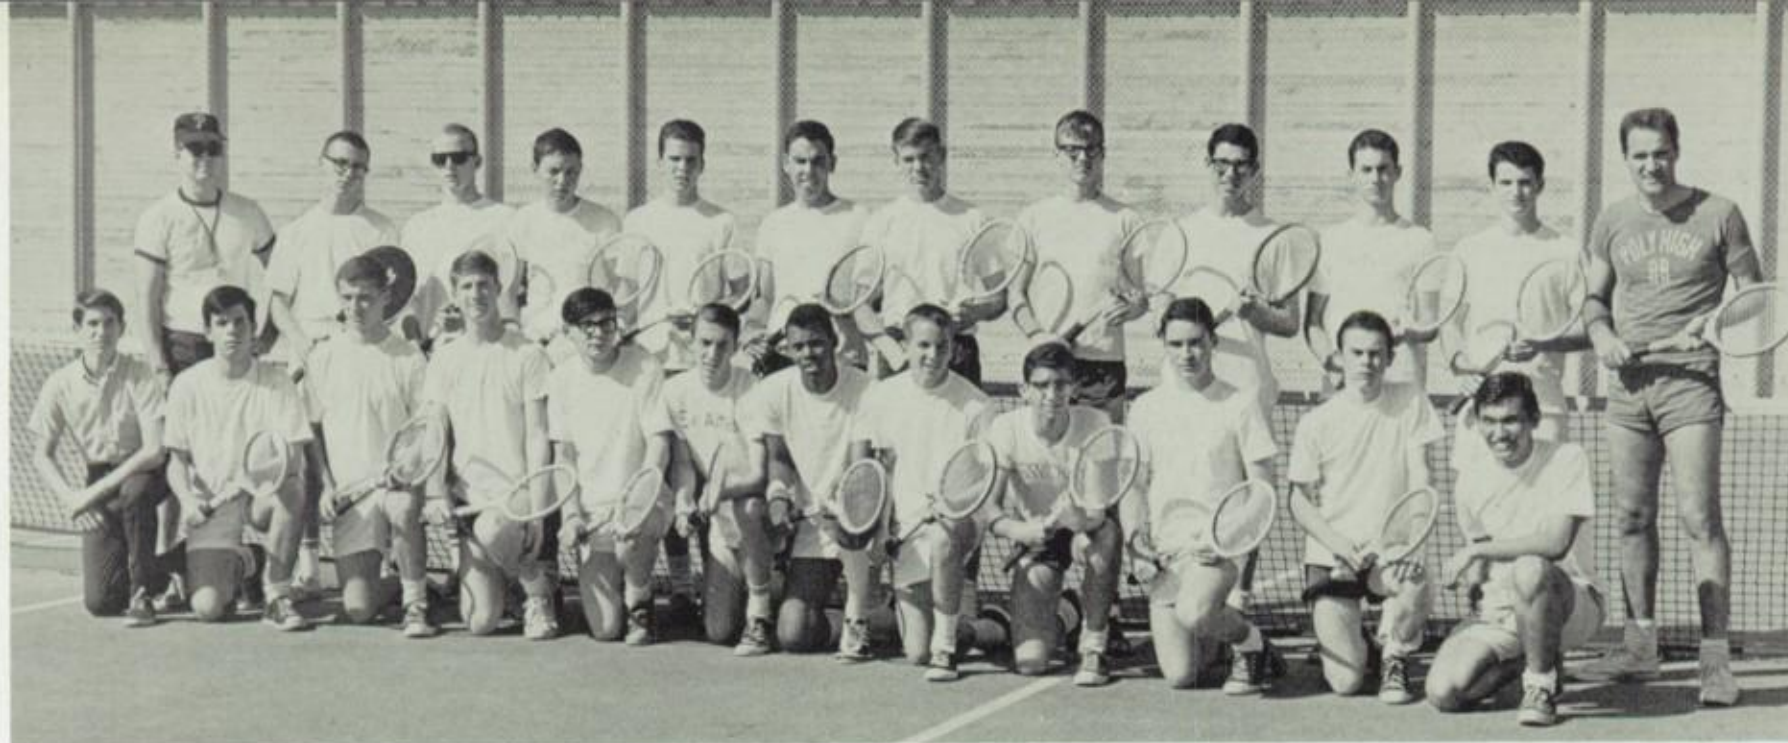

Highlights of the season were a 43-8 win over previously undefeated Jordan and a 23-22 conquest of first place Millikan. The strong showing of the Junior Varsity Wrestling team (5-2-1 Moore League record) combined with the return of 12 Varsity lettermen should provide Poly with a Moore League title contender in 1967-68.

Tracy Fukuhara faces off in a crucial Moore League contest.

The Advanced Swim Club is a group of capable and interested girls who compete in inter-school swim meets and in the synchronized swim show. It is open to all eligible girl swimmers. The girls work out Tuesdays and Thursdays during class and after school. The club provides friendly companionship and healthy active competition for all girls.

Tennis Champs

Advanced Tennis is a class requiring teacher approval. It meets seventh period and after school on Wednesdays. Girls who have had Beginning Tennis or the equivalent are eligible, and they are selected by the teacher according to skill, conduct, and attendance.

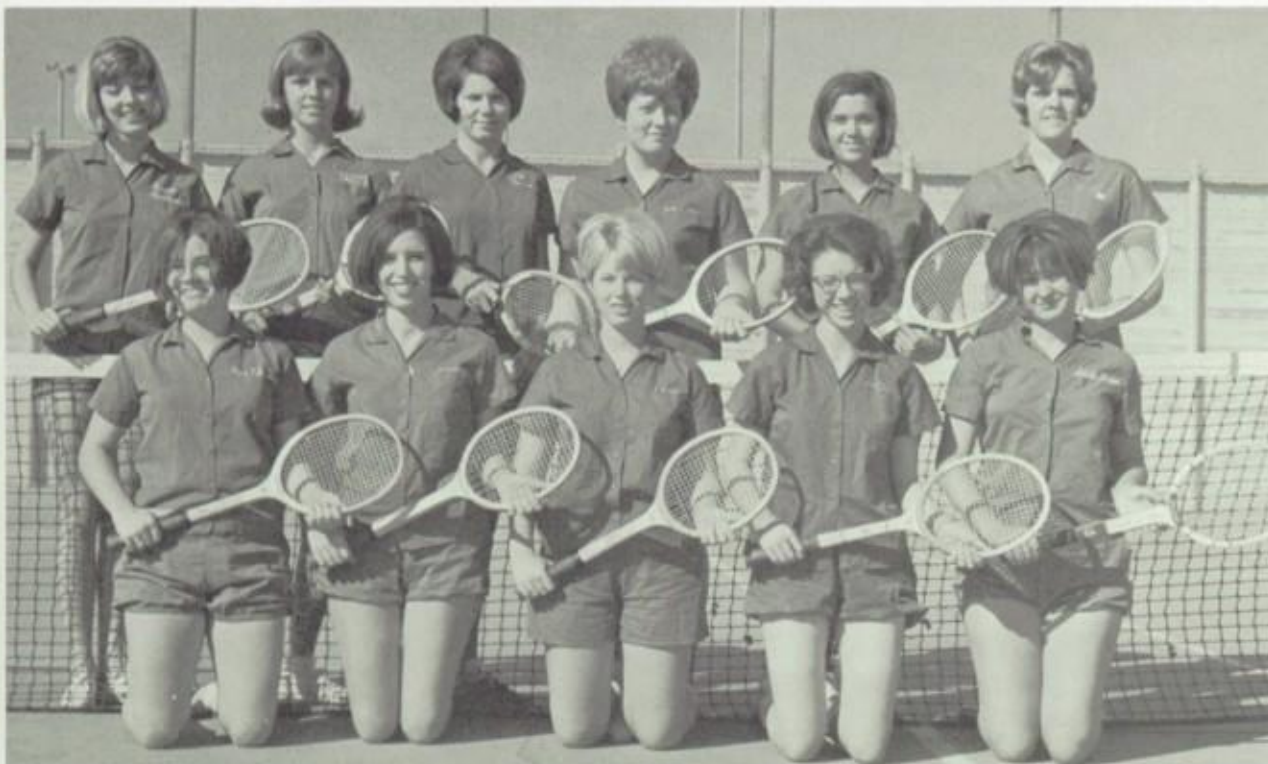

Highlighting this year's events was the "All-City Tennis Jamboree" which was held at Long Beach City College and hosted by Poly.

Tennis Champs are girls from the Advanced Tennis class who win intra-class tournaments. They travel to other schools to compete for the All-City Championship.
